

Safari Planning Guide

Updated: 12 October 2026

Use these questions to prepare an enquiry. You do not need a finished itinerary: share your priorities and our team can help connect them with practical options.

Your available time

Preferred travel month and dates: _____

Days available in Tanzania: _____

Fixed flight times or connections: _____

Dates flexible? Add any school-holiday or special-event constraints.

Your traveling group

Adults and children, with children's ages: _____

Preferred room arrangements: _____

Mobility, dietary or other practical needs: _____

Share practical needs early so providers can confirm suitable arrangements.

Experiences and pace

Top priorities: wildlife / migration / photography / culture / beach

Preferred pace: fewer transfers / early drives / longer stays / mixed

Destinations or properties you have in mind: _____

Remember that wildlife events and exact migration positions cannot be guaranteed.

Budget and accommodation

Budget range, currency and whether per person or group: _____

International flights included in that amount? _____

Accommodation preference and essential facilities: _____

Compare complete inclusions, exclusions, park days and transfers, not only headline prices.

Before you confirm

Review proposed accommodation, travel times and final quotation.

Read payment deadlines and cancellation terms for your specific booking.

Verify current entry and insurance requirements through official sources.

Discuss individual health preparation with a doctor or travel clinic.

An enquiry is not a confirmed booking and does not take a payment.
